# A flexible HR & Payroll software pricing model for business

## HR Consulting

From organisation design and training services through to policies and procedures, outsourcing and employee performance – no matter what your requirements are, PEOPLEPLUS can help you.

Peopleplus provides expertise in various disciplines of Human Resources as well as integrated web based Employee Relationship Management and Payroll Solutions. Peopleplus provides innovative, user-friendly software products that leverage the clients existing technology to drive efficiency and improve Human Capital Management. The Peopleplus methodology and solutions have transformed HR Departments into true strategic partners within the organisation.

Peopleplus Human Resource Consulting is dedicated to helping organisations just like yours with their HR activities and work. We have been working with a wide variety of clients in South Africa for several years. Our team of highly skilled and experienced HR consultants have all had distinguished careers in senior HR management roles and bring with them a wealth of practical experience to their work.

We believe in creating productive and fruitful relationships with our clients by adding value to your business to ensure that you get the very best return on your HR spend.

Our solutions, advice and guidance are uniquely designed and shaped around your exact requirements and objectives. They will fit with your culture and the business challenges that you currently face.

### The quality of our staff.

Our highly skilled and experienced consultants will make the difference to your company. Our consultants have the miles on the clock to provide proven, workable and effective solutions. We believe in investing heavily in our consultant's skills and knowledge to ensure that you receive the very latest and up to date information and techniques for your HR solution.

### Value for money.

When you partner with Peopleplus, it is our sole mission to add value to your business way beyond that of what you were expecting. Working with you will be like a business relationship rather than a business transaction. We will provide advice, guidance and work that will make the difference. We are not into just taking your money for services rendered - we will go way beyond that and will become an extension to your business rather than an addition.

## Consulting Expertise

- ◆ Job Analysis/Role Profiling.
- ◆ Job Grading.
- ◆ Performance Management.
- ◆ Training.
- ◆ Organisational Design.
